2007 at our offices in
Plymouth Meeting, PA. Let
us know if you would like
to stay over and visit.

The Radnor Hotel is
located just west of
Philadelphia

2007 User's Meeting

We would like to invite you to our 2007 User's Meeting to be held on Thursday, October 25, 2007.

As in the past, the meeting will cover a variety of topics including: status of the current legacy application, success stories and highlights of Fulcrum, the windows based upgrade and breakout sessions to allow for more detail discussions on those topics.

We will also be conducting a think-tank session specifically to look at Fulcrum.NET and what direction we should be taking with product enhancements in the future.

More than just a presentation, the User's Meetings provide a forum for information sharing among the attendees. Often the results are a better understanding of how to use the applications we sell and support.

Agenda details will be forthcoming in a future email.

Hotel Details: We have a block of rooms set aside at a discounted rate (\$169/night). Contact the hotel directly by **October 5th** and mention **Laundry Logic** to secure those rates.
